

MARION COUNTY PUBLIC HEALTH DEPARTMENT RYAN WHITE HIV SERVICES PROGRAM

The Marion County Public Health Department Ryan White HIV Services Program is designed to help individuals with HIV obtain comprehensive primary health care. HIV-positive individuals can work with a care coordinator/case manager, physician or nurse practitioner to develop a treatment and care plan to help them improve their quality of life.

ACCESS TO CARE

Getting the medical care you need if you are HIV-positive can be difficult. Even if you earn a limited income, do not have health insurance or are on Medicaid, you could be eligible for the Marion County Public Health Department Ryan White HIV Services Program.

ELIGIBILITY REQUIREMENTS

To be eligible for the Marion County Public Health Department Ryan White HIV Services Program you must:

1. Be HIV-positive
2. Have a household income less than 300 percent of the federal poverty level (FPL)
3. Be a resident of the Indianapolis Transitional Grant Area (TGA)

The following counties are part of the TGA:

Marion, Hamilton, Boone, Hancock, Hendricks, Shelby, Johnson, Morgan, Putnam and Brown

For more information, call 317-221-4623
